Executive Summary

All tuition, rentals, rates, charges or fees of Texas Tech University Health Sciences Center El Paso are charged and collected under specific authorization of the laws of the State of Texas, including, but not limited to, the authorization in Texas Education Code, Section 54.008, section 54.504, Section 54.0513, Section 55.16 and other applicable sections.

The Board of Regents, *Regents' Rules*, Section 07.10, has delegated authority to the President of TTUHSC El Paso to establish criteria and approval procedures for exemptions and waivers of fees, rentals, rates, and charges in accordance with state laws, including but not limited to Texas Education Code, Section 54.218, Section 54.5035 and Section 54.0513.

Regents' Rules, Section 07.10, require that the administration present a global fee document for annual approval.

Rates established within this Global Fee Document are effective the fall 2022 semester and through summer 2023.

Tuition

Statutory Tuition:

Residents of Texas (all schools except medicine and dental medicine): \$50.00 per semester credit hour
Nonresident students (all schools except medicine and dental medicine): \$458.00 per semester credit hour

Footnotes

- The Board of Regents has previously authorized the President of TTUHSC El Paso to increase or decrease Malpractice Insurance Fees for students in each of the schools and the School of Medicine Long Term Disability Insurance Fee as necessary to respond to changes in the cost of providing the insurance coverage. The schools seek only to recoup the cost of providing the coverage.
- The Board of Regents authorizes the President of TTUHSC El Paso to approve discretionary, incidental fees.
- Waivers for Teaching Assistants, Research Assistants, Graduate Assistants, and Graduate Part-Time Instructors per Board of Regents' approval December 15, 2000. Fees included in the waiver are Academic Department Instructional Assessment Fee, Student Union Fee, Recreation Center Fee, Student Services Fee, Student Athletic Fee, and Information Technology Fee.
- On August 11, 2000, the Board of Regents approved waivers of the Medical Services fee for Texas Tech University System benefits eligible employees enrolled as students.
- The Board of Regents authorizes the waiver of fees providing the same service or facility access for students concurrently enrolled at TTU and TTUHSC El Paso. Fees included in the waiver are Recreation Center Fee, Student Athletic Fee, Student Services Fee, Medical Services Fee, and ID Card Maintenance Fee.
- The Board of Regents previously authorized the President of TTUHSC El Paso to approve the assessment of additional tuition at a rate not to exceed the maximum allowed by law, Texas Education Code, Section 54.008, per semester credit hour for students enrolled in graduate and professional program courses in the Graduate School of Biomedical Sciences and School of Nursing.
