

Pharmacy

The Student Health Fee does not cover prescriptions; students are responsible for medication costs. However, there are many discounted pharmacy services available for students without outside health insurance.

Confidentiality

All medical records are strictly confidential. By federal law, information cannot be released to anyone without the written consent of the patient, except as required by a court. Copies of laboratory tests or other information can be sent to your physician of choice by signing a Release of Information form provided at the Hague clinic.

Eligibility

Texas Tech Physicians of El Paso at Hague provides health services to students who are currently enrolled and have paid the Student Health Fee as part of tuition and fees. To receive health services, you must present a student ID at the time of the appointment.

The Student Health Fee covers only services provided by TTP El Paso at Hague and specific laboratory and radiology services performed at cooperating locations.

All other charges incurred are the student's responsibility.
