I. Forward

A. General Policy

The mission of Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) is to improve the lives of people in our State and our community by focusing on the unique health care needs of socially and culturally diverse border populations through excellence in integrated education, research, and patient care.

A University, like any community, must have regulations and standards by which its members abide and procedures by which its components function. The standards should provide order and an atmosphere conducive to intellectual and personal development. This Student Handbook, the TTUHSC El Paso Operating Policies and Procedures, and the individual Schools' catalogs and handbooks are intended to serve these purposes in the interest of all components of the Texas Tech University Health Sciences Center El Paso.

The University has a responsibility to maintain order within the University community and to discipline those who violate its standards, rules, and policies. Enrollment at TTUHSC El Paso requires students to share in this responsibility. Students are expected to conduct themselves in a professional manner, not only in interactions with patients, but also with faculty, staff, and peers of TTUHSC El Paso and the general community. TTUHSC El Paso students will be evaluated on issues related to their professional conduct/judgement according to standards defined by the school, program and profession for which they are training. The standards, rules, and policies outlined in this Student Handbook, the TTUHSC El Paso Operating Policies and Procedures, and the individual Schools' catalogs and any other official University publications provide additional information and guidance. Registered student organizations are required to follow defined standards, rules, and policies.

The Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso or the University) reserves the right to change, modify, amend, or rescind, in whole or in part, this Handbook at any time without prior notice. H. Drug and Alcohol Abuse Prevention Program

As per [HSCEP OP 10.03](#) Alcohol and Illegal Drugs TTUHSC El Paso prohibits the unlawful possession, use, or distribution of alcohol and illegal drugs on TTUHSC El Paso property or as a part of any officially sponsored TTUHSC El Paso activities.

The Drug-Free Schools and Communities Act Amendments of 1989, 20 U.S.C. § 7101 et seq., as amended, require that, as a condition of receiving funds or any other form of financial assistance under any federal program, an institution of higher education must adopt and implement a program designed to prevent the unlawful possession, use, or distribution of alcohol and illegal drugs by faculty, staff, and students. In addition to meeting the requirements of the federal law, TTUHSC El Paso also intends that this to be part of a positive effort in alleviating alcohol abuse and other drug-related problems among members of the campus communities in all regional sites and components. Thus, the emphasis in program implementation will be on prevention, education, counseling, intervention, and treatment.

This policy is in addition to, and not in lieu of, any other TTUHSC El Paso policy. TTUHSC El Paso reserves the right to take disciplinary action against faculty, staff, residents, or students for violations under this or other applicable policies of TTUHSC El Paso.

All TTUHSC El Paso students are required to complete a drug and alcohol training program each year. Students are notified of the method to complete this training by the Office of Student Services and Student Engagement (SSSE) annually. In addition SSSE provides access to [Student Counseling](#) and Health Services. Please see <https://el Paso.ttuhs c.edu/student services> for more information and detailed schedules.

In addition, some TTUHSC El Paso students may be required to submit/complete tests or screening for the purposes of enrollment or clinical assignments:

- For those required to submit drug screening view [HSCEP OP 77.15](#) Working with Affiliated Entities – Student Drug Screenings for additional details.
- For those required to submit criminal background checks should review [HSCEP OP 10.20](#) Criminal Background Checks for Students, Residents and Trainees.

I. Tobacco-Free Environment

According to the United States Surgeon General, tobacco use is the single largest preventable cause of premature death and disability. Tobacco users are at substantially increased risk of developing smoking-related cancers, cardiovascular disease, and lung disease. Environmental smoke can cause discomfort and disease in non-smokers. Institutions with smokers suffer from lost productivity, conflict, and plant deterioration

As a health care institution, TTUHSC El Paso is committed to the establishment and enforcement of a healthier tobacco-free environment. [HSCEP OP 10.19](#), Tobacco-Free Environment Policy, includes regulation and assessment. See also [Ambulatory Clinic Policy and Procedure EP 1.16](#) as it relates to students participating in Texas Tech Physician of El Paso ambulatory sites.

II. Code of Professional and Academic Conduct (Code)

A. General Policy

An environment in which the privileges of citizenship are protected and the obligations of citizenship are understood fosters freedom of discussion, inquiry, and expression. Accordingly, the University community has developed standards of behavior for students and student organizations.

Students and student organizations are subject to disciplinary action according to the provisions of the Code and/or any other applicable University rules or regulations.

Each student is responsible for becoming familiar with the various regulations of the University and meeting the various requirements outlined below. Written policies are described in University publications such as this Handbook and the Schools' catalogs and handbooks. Each student, in accepting admission, indicates a willingness to subscribe to and be governed by the rules and regulations of this institution, and for university officials to take such disciplinary action, including dismissal, as may be deemed appropriate for failure to abide by such rules and regulations.

Each student is responsible for their own integrity and for reporting possible violations of this Code by other students. Faculty, staff, and students shall take all reasonable steps to prevent violations and are responsible for reporting violations.

B. Disciplinary Jurisdiction

The Code of Professional and Academic Conduct shall apply to conduct that occurs on University premises, at University sponsored activities, and to off-campus conduct that adversely affects the professional and ethical standards of each school and/or the University and/or pursuit of its objectives. On a case-by-case basis the Dean and their designee of each respective School, in their sole discretion, shall determine whether the Code should be applied to conduct occurring off premises.

All students are expected to comply with the professional and ethical standards of each school which they are enrolled. Each student shall be responsible for their conduct from the time of the application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and periods between terms of actual enrollment. The Code shall apply to persons who withdraw after alleged violation of the Code, who are not officially enrolled for a particular term but have a continuing relationship with the University, or who have been notified of their acceptance.

Academic issues, such as grading and promotion, are addressed under the respective School's policies and procedures where the student is enrolled.

C. Violation of Law and the TTUHSC El Paso Discipline

A disciplinary proceeding may be instituted against a student regardless of whether conduct allegedly violates both the criminal and/or civil law and/or this Code (that is, if multiple

violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest or prosecution.

Proceedings under this Code may be carried out before, simultaneously, or following civil and/or criminal proceedings. Determinations made or sanctions imposed under the Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal and/or civil law defendant.

State law will be strictly enforced at all times on all property controlled by the University and is inclusive of all clinical and teaching sites and its components.

IV. Student Complaint or Grievance Policies and Procedures

The following section summarizes TTUHSC El Paso's student complaint or grievance policies and procedures, *other than those listed in Part V of this Institutional Student Handbook* (e.g. Title IX and discrimination). Links to specific policies and procedures are provided on the Student Services and Student Engagement web page.

It is the policy of the Texas Tech University Health Sciences Center El Paso to affirm the right of its students to a prompt and fair resolution of a complaint or grievance involving allegations of inappropriate behavior by other TTUHSC El Paso students or by TTUHSC El Paso personnel toward students.

A. General or Academic Misconduct of another Student

Policies and procedures governing complaints regarding the general or academic misconduct of students are defined in the Code of Professional and Academic Conduct (Code), which is published as [Part II](#) of this handbook. Students, faculty, and staff are all encouraged to report violations of the Student Code in accordance with the Disciplinary Procedures outlined in the Student Code.

B. General Misconduct of a faculty or staff member toward a student

1. *Framework*

TTUHSC El Paso strives to provide an educational environment that is safe, equitable, and hospitable so that students across all schools have the opportunity to succeed in their academic programs. TTUHSC El Paso has a zero tolerance policy for student mistreatment by faculty and staff. Student mistreatment, intentional or unintentional, occurs when behavior shows disrespect for the dignity of others and interferes with the learning process. Examples of unacceptable student mistreatment at TTUHSC El Paso include, but are not limited to:

- a. Disparaging or demeaning comments about an individual or group;
- b. Loss of personal civility including shouting, displays of temper, public or private abuse, belittling, or humiliation;
- c. Use of grading or other forms of evaluation in a punitive or retaliatory manner;
- d. Sending students on inappropriate errands.

Sexual harassment and assault, as well as discrimination and harassment based on race, color, religion, or sexual orientation are also forms of student mistreatment. The processes and procedures of such discrimination are found under [Section V. C](#), of this handbook.

The Student Mistreatment Policy does not cover appeals of academic grades, academic progression, or disciplinary action against a student at the school and institutional

levels. Students should refer to the appropriate school and institutional academic and conduct policies and procedures through their school if they have any complaints.

A grievance involving perceived mistreatment may be resolved in an informal or a formal manner.

2. *Informal Grievance Resolution Process:*

A student pursuing an informal, non-academic grievance resolution must contact their school's Associate Dean/Director for Student Affairs, in writing, within twenty (20) business days of the alleged incident. The written informal complaint must include a short description of the alleged incident, the expressed desire to handle the issue informally, and the date it occurred. If the grievance involves staff, faculty, student(s) from the broader TTUHSC El Paso community, the Associate Dean for Student Affairs will refer the informal grievance to the Vice President for Academic Affairs. The Assistant/Associate Dean for Student Affairs will assist the student in the informal resolution of the grievance, to be completed within twenty (20) days from receipt of the student's written grievance. 3. *Formal Grievance Resolution Process¹:*

To file a formal, non-academic grievance within a specific TTUHSC El Paso school the student must first contact the school's Associate Dean/Director for Student Affairs for a review of applicable policies and procedures. Anti-Discrimination and Sexual Misconduct Policies and Procedures).

The Associate Dean/Director for Student Affairs may, at their discretion, hold discussions with or without the involved/accused individual(s) to hear and resolve the grievance, schedule a meeting between the student(s) and the involved/accused individual(s) and/or involve other parties in facilitating a resolution of the grievance. The decision of the School Dean is final. The School Dean has twenty (20) business days to provide a written decision to the student(s) and to the School's Associate Dean/Director for Student Affairs.

To file a formal, nonacademic grievance involving staff, faculty or students(s) from the broader TTUHSC El Paso community, the student(s) must first consult their school's Associate Dean/Director for Student Affairs for a review of applicable policies and procedures. If the allegation is one of sexual harassment/assault or gender-based discrimination, the Associate Dean/Director for Student Affairs will engage TTUHSC El Paso's Title IX Director (see part V. Anti-Discrimination and Sexual Misconduct Policies and Procedures).

The student must submit a formal written grievance with the Vice President of Academic Affairs within twenty (20) business days from the alleged incident. C. Discrimination

This handbook identifies several policies intended to ensure the fair and equitable treatment of all members of the university community. This policy covers complaints concerning issues pertaining to wages, hours, working conditions, performance evaluations, merit raises, job promotions, job assignments, or similar matters involving management decisions concerning the employee.

G. Digital Citizenship Guidelines

TTUHSC El Paso defines digital citizenship as, the use of critical thinking and ethical choices and the recognition of the rights and responsibility related to living, learning and working in an interconnected community. Digital content must be considered through the impact on oneself, others, and one's community of what one sees, says, and produces with media, devices, and technology. The International Society for Technology in Education (ISTE) outlines the following as indicators of digital citizens:

- a) Students cultivate and manage their digital identity and reputation and are aware of the permanence of their actions in the digital world.
- b) Students engage in positive, safe, legal and ethical behavior when using technology, including social interactions online or when using networked devices.
- c) Students demonstrate an understanding of and respect for the rights and obligations of using and sharing intellectual property.

Students manage their personal data to maintain digital privacy and security and are aware of data-collection technology used to track their navigation online.

Students who feel that they have been harassed in a digital environment from a faculty, staff or student member may file a grievance as defined by the Code. Forms of harassment are defined by Texas Penal Code – Penal § 42.07 where a person acts with the intent to harass, annoy, alarm, abuse, torment, or embarrass another person via electronic communications.

H. Other Types of Mistreatment

Students who feel that they have been mistreated in a manner that is not directly addressed by any of the specific policies identified above are encouraged to refer to the policies and procedures governing student complaints, grievances, and appeals within their school. Relevant school policies include the following:

- [Hunt School of Nursing](#): Academic Grade Challenges/Appeals and Complaint or Grievance Resolution (Non-Grade Related)
- [Francis Graduate School of Biomedical Sciences](#): Procedure for Grade and Non-Grade Complaints
- [Foster School of Medicine](#): Appropriate Treatment of Medical Students; Student – Faculty Dispute Resolution Policy; Student-Student Dispute Resolution Policy
- [Hunt School of Dental Medicine](#)

Students should process their complaints or appeals through the appropriate channels. Procedures are delineated in the policies identified above. Students are required to bring their concerns to the designated student affairs officer of their school. The student affairs officer in each school is as follows:

- Hunt School of Nursing: Associate Dean for Academic Programs
- Francis Graduate School of Biomedical Sciences: Dean
- Foster School of Medicine in El Paso: Associate Dean for Student Affairs
- Hunt School of Dental Medicine: Associate Dean for Student Affairs

The deans of the schools have final authority in resolving disputes related to academic issues, such as grading and promotion, and in non-academic issues involving the school's faculty and staff.

Every effort should be made to resolve complaints against faculty and other school personnel at the school level. If the complaint is about personnel or services at the institutional level, the student is advised to contact the TTUHSC El Paso Office of Student Services and Student Engagement (SSSE) in accordance with the following institutional-level student complaint procedures.

I. Other Institutional-Level Student Complaint Procedures

The procedures defined below apply to student complaints that fall outside the scope of other institutional and school-based policies and procedures governing specific types of student complaints, including, for example, *student complaints against staff members or TTUHSC El Paso administrators employed at the institutional level* (outside of Title IX). The TTUHSC El Paso Office of Student Services and Student Engagement will administer this institutional policy and will insure that due process is afforded to all concerned.

1. *Early Resolution*

Prior to contacting the TTUHSC El Paso Office of Student Services and Student Engagement (SSSE), the student shall attempt to resolve the issue with the individual(s) involved. If the student is not satisfied with the outcome after meeting with the individual or does not feel comfortable talking to the administrator or staff member involved, the student may contact the Assistant

Vice President for SSSE. The student shall address the issue and initiate action under this policy within twenty (20) days of the event-giving rise to the complaint.

The Assistant Vice President for SSSE or designee may counsel the student to discuss the issue with the involved administrator or staff member. If the student does not feel comfortable talking to the person involved, the Assistant Vice President for SSSE or designee will investigate the complaint, attempt to reconcile differences, and propose a solution. The Assistant Vice President for SSSE or designee will provide a written statement of his or her recommendation to all parties within ten (10) business days following the initial receipt of the student's report of the complaint. All involved parties will then have ten business days to respond. Every effort should be made to resolve the issue without going beyond this level.

(If the complaint is against the Assistant Vice President for SSSE, the student should meet with the Vice President for Academic Affairs, who will follow the procedures outlined here.)

2. *Filing a hearing request*

If the student is not satisfied with the recommendation of the Assistant Vice President Student Services and Student Engagement (SSSE) or designee, they may file a request for a hearing by submitting a written complaint to the Assistant Vice President SSSE.

- a) The hearing request must include a specific statement of the student's complaint, an explanation of what remedy the student seeks, and a copy of the Assistant Vice President for SSSEs' or designee recommended resolution.
- b) If the student files a request for a hearing, a Student Hearing Committee as defined below must convene within 15 business days.

3. *Hearing Procedure*

Upon receipt of a written request for a hearing, the Assistant Vice President for Student Services and Student Engagement (SSSE) or designee will appoint a Hearing Committee according to the following procedure:

- a) Each party will propose in writing a list of four TTUHSC El Paso faculty, staff, and/or students to serve on the Hearing Committee. The Assistant Vice President for SSSE or designee will contact one person from each list in order of the submitting party's preference to determine the person's willingness to serve. Through this process, one person will be selected from each list. The two people selected will then select a third member (a TTUHSC El Paso faculty or staff member) and these individuals will comprise

the Hearing Committee. This group will select a chair from among themselves.

- b) The Assistant Vice President for SSSE or designee will provide technical assistance and support to this committee.
- c) As soon as the hearing is scheduled, the chair of the Hearing Committee will send a written notice to all involved parties. The notice will specify the time, place, and nature of the hearing, plus a brief description of the complaint. The notice will also confirm the right of all involved parties to present witnesses and evidence and to be accompanied by counsel for advisory purposes only.
- d) At least five days prior to the hearing, all parties will provide to the chair of the Hearing Committee and the Assistant Vice President for SSSE or designee a list of the names of any witnesses or counsel who will attend the hearing in addition to any evidence that will be offered. If the student will be advised by counsel, the University may be represented by the Office of General Counsel. The student and the involved individuals(s) shall have access to all information to be considered by the Hearing Committee, including the names of all persons giving evidence.
- e) The student and the involved parties shall attend the hearing and be offered an opportunity to state their positions and present testimony and other evidence relevant to the case. The responsibility of establishing the validity of the complaint rests with the student.
- f) The Hearing Committee chair shall keep a recording of the hearing, which shall include date, time, and location of the hearing, names of those present, and any evidence introduced (e.g., records, written testimony, duplicated materials). Deliberations will not be recorded.

4. *Committee Decision*

After completion of the hearing, the Hearing Committee shall meet in closed session and prepare a written decision. Copies of the Hearing Committee chair's report shall be forwarded to the involved parties within five business days.

5. *Appeal*

Within ten business days of receipt of the decision of the Hearing Committee, if either party believes that the due process procedures have been violated, an appeal may be made, in writing, to the Vice President for Academic Affairs (VPAA).

The VPAA will review the case and notify all parties of their decision within ten business days.

If a written appeal is not submitted within ten business days following receipt of the Hearing Committee decision letter, the right to appeal is thereby waived and said decision is final.

The Accused Student or Complainant may only raise, and the VPAA shall only consider, the following:

- a) A procedural deviation occurred that substantially affected the outcome of the case;
- b) There is new information sufficient to alter the Findings or other relevant facts not available or mentioned in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original hearing.

The VPAA will review the Findings and Recommendations and, at his or her sole discretion, the record from the Hearing Committee and supporting documents, and transmit his or her decision in writing to the Complainant, the Hearing Committee chair, and the Assistant Vice President for SSSE. The VPAA's decision shall be final.

The VPAA will review the Hearing Committee decision and render a decision within five business days. The decision of the Vice President for Academic Affairs is final.

In the event of any conflict between this Student Handbook and System Regulations 07.06.A, 07.06.B, and 07.10, the system regulations will control.

The University Title IX Coordinator oversees the University's compliance with the Sexual Misconduct policies, including both Title IX and Non-Title IX Sexual Misconduct. The University has also designated a Title IX Deputy Coordinator for employees. Contact information for the Coordinator and Deputy Coordinator is as follows:

2. *Title IX Sexual Misconduct*

Title IX Sexual Misconduct is governed by Texas Tech University System Regulation 07.06.A. Generally, only sexual assault; stalking; dating violence; domestic violence; quid pro quo conduct; and conduct that is severe, pervasive, and objectionably offensive will constitute Title IX Sexual Misconduct, and be governed by such policy. The procedure for reporting and filing a formal complaint of Title IX Sexual Misconduct, and the grievance process for addressing such complaints, is set forth in [System Regulation 07.06.A](#). The provisions of the remainder of this Section C may not apply to reports and complaints of Title IX Sexual Misconduct. The University's Title IX Coordinator will assist students in navigating these policies.

All other forms of Sexual Misconduct are addressed pursuant to the Non-Title IX Sexual Misconduct policy, set forth in this Student Handbook and governed by [System Regulation 07.06.B](#).

3. *Non-title IX Sexual Misconduct*

All Sexual Misconduct that does meet the threshold of Title IX Sexual Misconduct will proceed under the Non-Title IX Sexual Misconduct policy set forth in this Student Handbook.

All investigations and procedures under this policy will be conducted in a reasonably prompt timeframe and in an equitable and impartial manner. Investigations conducted hereunder are not criminal investigations. For all complaints, the burden of proof shall be a preponderance of the evidence, which means more likely than not.

The Title IX Coordinator or designee will investigate complaints of Sexual Misconduct by or between students. The Texas Tech University System Office of Equal Opportunity (OEO) will investigate complaints of Sexual Misconduct by or between employees. Student complaints of Sexual Misconduct by an employee will be investigated jointly by the Title IX Coordinator or designee and the Office of Equal Opportunity.

Students with complaints of Sexual Misconduct by an employee should contact the Title IX Coordinator or Office of Equal Opportunity, and/or utilize the online reporting tool available on the University's website at <http://www.ttuhs.edu/title-ix/default.aspx>. Students with complaints of Sexual Misconduct by a student or student organization should contact the Title IX Coordinator and/or utilize the online reporting tool available on the University's website at <http://www.ttuhs.edu/title-ix/default.aspx>.

Individuals wishing to remain anonymous can report Sexual Misconduct in any manner, including by telephone or written communication, with the University Title IX Coordinator or Office of Equal Opportunity. However, electing to remain anonymous may greatly limit the University's ability to investigate an alleged incident, collect evidence, and/or take effective action against individuals or organizations accused of violating the TTUHSC El Paso Sexual Misconduct policies.

4. *Employees are Mandatory Reporters*

Pursuant to Texas law, all employees, including student employees, who in the course and scope of employment, witness or receive information regarding the occurrence of an incident that the employee reasonably believes constitutes Sexual Misconduct and is alleged to have been committed by or against a person who was a student enrolled at or an employee of the University at the time of the incident shall promptly report the incident to the University's Title IX Coordinator or Deputy Title IX Coordinators. An Employee is required to report an incident regardless of where or when the incident occurred. Failure to report Sexual Harassment, Sexual Assault, Dating Violence, or Stalking is a violation of state Texas that shall result in termination of employment and may result in criminal penalties.

Reports by mandatory reporters must include all information concerning the incident known to the Reporting Party, including the involved parties' names, regardless of whether the Complainant has expressed a desire for confidentiality; however, the Reporting Party may also state whether the Complainant has expressed a desire for confidentiality.

Disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University are not subject to the foregoing mandatory reporting requirements and are considered Confidential Resources. These employees are encouraged to provide students or employees with information and guidance regarding University reporting options and available resources but absent consent from the Complainant, disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University shall only state the type of incident reported and may not include any information that would violate an expectation of privacy.

5. *Making a Report*

Any individual may inquire or make a report or complaint of Sexual Misconduct of any kind. Any person may submit a report in person, by mail, by phone, by email, or by online form, using the contact information set forth in Section 1 above, or by any other means that results in the University's Title IX Coordinator or System Office of Equal Opportunity receiving the verbal or written report. Such a report may be made at any time (including during non-business hours) by using the phone number or email address, or by mail to the office address. Persons other than Employees wishing to remain anonymous may do so by submitting a report in an anonymous manner; however, electing to remain anonymous may limit the ability to investigate an alleged incident, collect evidence, and/or take effective action against individuals accused of violating the University's Sexual Misconduct policies.

While not required, students are strongly encouraged to report any incident of Sexual Misconduct to the University, including incidents in which the student was a victim.

Students may also report incidents of Sexual Misconduct to law enforcement, including on- campus and local police. Complainant may choose to notify law enforcement and will be provided the assistance of the Title IX Coordinator if the individual wishes. Parties may also choose not to notify law enforcement of incidents of Sexual Misconduct. A student who experiences sexual or dating violence is encouraged to seek medical care for treatment and preservation of evidence, if applicable, as soon as possible after the incident. Preserving DNA evidence can be key to a sexual violence case. Students can undergo a sexual assault forensic exam (SAFE) performed by a sexual assault nurse examiner (SANE) to preserve physical evidence with or without police involvement. If possible, this should be done immediately. If an immediate medical exam is not possible, a SANE may still collect evidence up to 4 days following a sexual assault. With the examinee's consent, the physical evidence collected during this medical exam can be used in a criminal investigation.

Anyone who experiences any form of Sexual Misconduct should also preserve other evidence relevant to the incident reported, such as items of clothing, photographs, phone records, text messages, social media activity, computer records, and other documents.

6. *Confidentiality*

TTUHSC El Paso is committed to ensuring confidentiality during all stages of a grievance process. The confidentiality of the Complainant, the Respondent, the Reporting Party, any individuals who have sought guidance about this policy or have participated in an investigation or incident will be honored by the University to the extent possible without compromising the University's commitment and obligation to investigate allegations of misconduct, to protect the University Community, and to the extent allowed by law. Unless waived in writing by the individual, the identity of aforementioned individuals:

- a) Is confidential and not subject to disclosure under Chapter 552, Government Code; and
- b) May be disclosed only to:

- (1) University Employees or individuals under contract with the University to which the report is made who are necessary for an investigation of the report or other related hearings;
- (2) a law enforcement officer as necessary to conduct a criminal investigation of the report;
- (3) a health care provider in an emergency, as determined necessary by the University;
- (4) the Respondent, to the extent required by other law or regulation; and
- (5) potential witnesses to the incident as necessary to conduct an investigation of the report and to the extent required by other law or regulation.

In some exceptional circumstances, where the incident in question presents a continuing threat to the University Community, the University may be required to investigate irrespective of the Complainant's desire to pursue allegations of Sexual Misconduct, and may be required to issue a "timely warning" to the campus community as required by the Clery Act. Timely warnings do not include personally identifiable information of involved parties.

However, because the University also has an obligation to maintain an environment free of sex discrimination and Sexual Misconduct, all University employees have mandatory reporting and response obligations and may not be able to honor a Complainant's request for confidentiality. The Title IX Coordinator or designee will evaluate requests for confidentiality. The willful and unnecessary disclosure of confidential information by anyone, including the Complainant or Respondent, may affect the integrity of the investigation.

Students may make confidential reports to TTUHSC El Paso Student Counseling Services. Complainants may also make confidential reports to licensed clinical and/or mental health professionals acting in their professional role of providing those services, including medical providers employed by the University. Information may be shared by the clinical and/or medical provider only with the Complainant's or Respondent's consent.

Absent consent from the Complainant, disclosures to a healthcare provider, mental health care provider, or other medical provider acting in the course and scope of their employment with the University shall only state the type of incident reported and may not include any information that would violate an expectation of privacy. These Employees are encouraged to provide Complainants with information and guidance regarding University reporting options and available resources.

7. *Interim and Supportive Measures*

The University may take immediate action to eliminate hostile environments and address any effects on the Complainant and community prior to the initiation of any Investigation and/or formal Grievance Process. These measures will be taken to minimize the burden on the Complainant while respecting due process rights of the Respondent. Supportive Measures for involved students may include, but are not limited to, counseling services, medical assistance, modifications to on-campus housing, modifications to parking permissions, academic support referrals, modifications to academic or work situations, instituting a No Contact Order between the parties in a complaint, and reporting criminal behavior to the Texas Tech Police Department or local law enforcement agencies. Additionally, the University may pursue Emergency Removal, altering the University status of the Respondent. Supportive Measures may be implemented and will be evaluated on a case-by-case basis. Supportive Measures may be kept in place through the conclusion of any review, investigation, resolution, or appeal process. Supportive Measures can be implemented regardless of whether or not the Complainant pursues a Formal Complaint or criminal action. The Title IX Coordinator is available to help students understand the Grievance Process and identify resources. Remedies may be implemented after a determination regarding responsibility in the Grievance Process to restore and preserve equal educational opportunities to the Complainant.

- a) *Supportive Measures*: Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to a Complainant or Respondent. The range of Supportive Measures available includes, but is not limited to: separation or modification of Complainant and Respondent's academic or working situations; mutual restrictions on contact; one-way restrictions on contact, where justified by the specific facts and circumstances; permissive withdrawal from or retake of a class without penalty; counseling; extensions of deadlines or other course-related adjustments; campus escort services; leaves of absence; increased security and monitoring of certain areas of campus; or any other similar measures tailored to the individualized needs of the parties. Consistent with Texas law, a Complainant or Respondent who is the subject of an alleged incident of Title IX Sexual Misconduct will be allowed to drop a course in which they are both enrolled without any academic penalty. Supportive Measures may be kept in place through or beyond the conclusion of any review, investigation, or appeal process and

may be implemented regardless of whether Complainant files a complaint of Sexual Misconduct.

- b) *No Contact Order*: When initial inquiry indicates persistent and potentially escalating conflict between members of the University Community, a No Contact Order may be issued as a remedial, non-punitive deterrent to further conflict or situational complication. A No Contact Order will be issued by the Title IX Coordinator via the student's official TTUHSC El Paso email. The notice serves as an official directive that the student(s) have no contact with the other listed parties. Contact cannot occur in person, by telephone, email, text message or other electronic means of communication, or through a third party (other than an attorney). Should contact need to occur, the student should coordinate with the Title IX Coordinator. This notice may also come with other information related to changes in class schedule or other restrictions to facilitate the No Contact Order. Failure to comply with the No Contact Order may result in disciplinary action, including possible suspension or expulsion. Violations of No Contact Orders may also result in Emergency Removal pending the completion of a Grievance Process. The term of a No Contact Order is one year from the date of issuance, or the graduation of one or both parties, whichever comes first.
- c) *Emergency Removal*: The University may conduct an individualized safety and risk analysis to determine if an individual poses an immediate threat to the physical health or safety of any student or other individual arising from the allegations of Sexual Misconduct that justifies removal. Where the University finds that a Respondent poses an immediate threat to the physical health or safety of any student or individual, the University may remove the Respondent prior to the conclusion of the Grievance Process to protect the safety of the University Community where an immediate threat exists. The University shall provide the Respondent with notice and an immediate opportunity to challenge the decision in writing to the Title IX Coordinator immediately following the removal.

Through an Emergency Removal, a student may be denied access to the University's campus, facilities, and events. This restriction may include classes and/or all other University activities or privileges for which the student might otherwise be eligible. At the discretion of the Title IX Coordinator or designee and with the approval of, and in collaboration with, the appropriate Dean(s), alternative coursework options may be pursued to ensure as minimal an impact as possible on the Respondent.

Emergency Removal is not a sanction. It is taken in an effort to protect the safety and well-being of the Complainant, Respondent, and/or other members of the University Community. Emergency Removal is preliminary in nature; it is in effect only until the Grievance Process has been

completed. However, violations of Emergency Removal may result in additional allegations of this Student Handbook. A student who receives an Emergency Removal may request a meeting with an Appeals Officer or designee to challenge an Emergency Removal. Regardless of the outcome of this meeting, the University may still proceed with an Investigation and adjudication.

- d) *Non-Student Supportive Measures*: TTUHSC El Paso, in conjunction with the Texas Tech Police Department, may issue a Criminal Trespass to any individual(s) or guest of the University whose presence could significantly disrupt the normal operations of the University, or who is alleged to have violated University policies and/or is deemed to pose a threat to the physical and/or emotional well-being of a student or other members of the University Community.

8. *Student Rights and Responsibilities*

Prior to the formal investigative process, a student will be provided a Student Rights and Responsibilities document. This document will be reviewed and signed by the student prior to an interview. The Student Rights and Responsibilities document informs the student of their rights to be exercised before and during the Grievance Process.

Subject to applicable law, information gathered by the University during the course of the Investigation and Grievance Process may only be shared with faculty, staff, students, and/or advisors who are directly involved in the incident or necessary to the Grievance Process. Information gathered may also be disclosed in compliance with a judicial order or lawfully issued subpoena.

Involved parties have the right to, and are encouraged to, be accompanied by an advisor of the individual's choosing during all meetings, proceedings, and/or disciplinary hearings at which the individual is present. In Non-Title IX Sexual Misconduct Hearings, the role of the advisor will be limited to advising only and will not be allowed to actively participate in the Hearing. CARE Coordinators may also attend any meeting or Hearing in addition to the student's advisor.

9. *Amnesty*

- a) Subject to the exceptions noted below, the University will not take any disciplinary action against a student enrolled at the University who in good faith reports to the University being the victim of, or a witness to, an incident of Sexual Harassment, Sexual Assault, Interpersonal Violence, or Stalking for a violation by the student of this Student Handbook, occurring at or near the time of the incident, regardless of the location at which the incident occurred or the outcome of the University's disciplinary process regarding the incident, if any.
- b) The University reserves the right to investigate to determine whether a report of an incident of Sexual Harassment, Sexual Assault, Interpersonal

Violence, or Stalking was made in good faith. After such investigation, the Title IX Coordinator or their designee will make a determination as to whether a student is entitled to amnesty. Once a determination is made regarding amnesty for a student, such determination is final and may not be revoked.

- c) Notwithstanding the forgoing, amnesty does not apply to a student who reports the student's own commission or assistance in the commission of Sexual Harassment, Sexual Assault, Interpersonal Violence, or Stalking.
- d) Although students eligible for amnesty may avoid disciplinary action under these amnesty provisions, amnesty does not preclude the University from encouraging students to participate in directives such as counseling or educational opportunities relating to the conduct students were engaged in.
- e) Abuse of these amnesty provisions by a student may result in a violation of this Student Handbook. The amnesty provisions do not impact criminal proceedings or charges, mandatory reporting to state licensing boards, legal actions, or actions required to comply with professional ethic requirements.

10. *Interference with an Investigation*

Any person who knowingly and intentionally interferes with a Grievance Process conducted under this Student Handbook is subject to disciplinary action up to and including dismissal or separation from the University. Interference with a Grievance Process may include, but is not limited to:

- Attempting to coerce, compel, influence, or prevent an individual from providing testimony or relevant information;
- Divulging confidential information;
- Removing, destroying, or altering documentation relevant to the investigation;
- Providing false or misleading information to the investigator, or encouraging others to do so; or
- Making a report under this policy that, after investigation is found not to have been made in good faith.

11. *Retaliation and False Information*

Retaliation against an individual who reports a potential violation in good faith under this policy, assists someone with a report of a violation, or participates or refuses to participate in any manner in an investigation or in the resolution of a complaint made under this policy is strictly prohibited and will not be tolerated. Retaliation includes, but is not limited to threats, intimidation, coercion, discrimination, reprisals, or adverse actions related to an individual's employment or education. The University will take appropriate steps to ensure that an individual who, in good faith, reports, complains about, or participates or refuses to participate in in an investigation pursuant to this

policy will not be subjected to retaliation. Individuals who believe they are experiencing retaliation are strongly encouraged to report the incident to the Title IX Coordinator using the same procedure outlined in this section.

Individuals who are found to have retaliated under this policy will be subject to disciplinary action, up to and including termination of employment, expulsion from the University, or being barred from University premises and events.

An individual found to have knowingly and in bad faith provided false or malicious information may be subject to disciplinary action up to and including dismissal or separation from the University. A determination that a Respondent is not responsible for allegations of Sexual Misconduct does not imply information provided was false. Similarly, a determination that a Respondent is responsible for a policy violation does not imply that a Respondent's statements disclaiming responsibility were false.

D. Grievance Process for Non-Title IX Sexual Misconduct

This Section D sets forth the Grievance Process for Non-Title IX Sexual Misconduct. The process for Title IX Sexual Misconduct is set forth in [System Regulation 07.06.A](#). The University Title IX Coordinator will assist parties in determining which process applies to the particular alleged conduct.

1. *Intake and Initial Inquiry*

Upon receipt of a report of Sexual Misconduct, the Title IX Coordinator, or designee, will review the allegations. As reported allegations of Sexual Misconduct have varying degrees of complexity and severity, the investigation and resolution procedures described below may vary. The Title IX Coordinator or designee will inquire, gather, and review information and will evaluate the accuracy, credibility, and sufficiency of the information received. If a formal complaint is not filed, the Title IX Coordinator may nonetheless conduct an investigation if the University learns of alleged Sexual Misconduct through other means depending on the source and nature of the information provided, the seriousness of the alleged incident, the specificity of the information, the objectivity and credibility of the source of the report, whether any individuals can be identified who were subjected to the alleged Sexual Misconduct, and whether those individuals want to pursue the matter.

The Title IX Coordinator may conduct an initial meeting with the Reporting Party and/or Complainant to gather additional information regarding the allegation; inform him/her of on and off-campus resources, procedural options, and the University's policy regarding retaliation; and to determine safety, security, or other interim measures. Additional meetings may be necessary depending on the complexity of the reported allegations.

Incidents will not be investigated unless there is reasonable cause to believe a policy has been violated. Reasonable cause includes some credible information to support a policy violation. If it is determined that an investigation will be conducted, the Respondent will

be given notice of the complaint and an opportunity to respond. If it is determined that an investigation will not be conducted, the Title IX Coordinator may contact the Respondent to discuss the reported concern.

When a Complainant is reluctant, and/or refuses to participate in the investigation process, the Title IX Coordinator may investigate the allegations to the fullest extent possible given the information made available. The University will make every attempt to follow the wishes of the Complainant while protecting the University Community.

2. *Filing a Formal Complaint*

A Formal Complaint is a document signed by a Complainant or the Title IX Coordinator alleging Sexual Misconduct against a Respondent requesting that the University investigate the allegation(s) of Sexual Misconduct. While incidents may be reported by any third party, only the Complainant or Title IX Coordinator may initiate the Grievance Process through the Formal Complaint. A Formal Complaint is also required for any individuals wishing to pursue an Informal Resolution.

When a Formal Complaint is filed, the Title IX Coordinator provides written notice to the Respondent with sufficient time for the Respondent to prepare a response before an initial interview. The Notice of Formal Complaint includes information about the Grievance Process, the Informal Resolution Process, the allegations and any details known at the time, such as the name of the Complainant, the location, date and time of the alleged incident(s), and the specific section(s) of the policy that the Respondent is alleged to have violated. The Complainant also receives a copy of the Notice of Formal Complaint.

3. *Review of Formal Complaints*

When a Formal Complaint is received, the Title IX Coordinator will evaluate jurisdiction and mandatory and discretionary dismissal described below, assess appropriate Supportive Measures for both parties, evaluate the need for Emergency Removal, and initiate the Grievance Process.

Mandatory and Permissive Dismissal. The Title IX Coordinator shall dismiss a Formal Complaint of Non-Title IX Sexual Misconduct in the following situations: (1) the allegation describes conduct that would not constitute Non-Title IX Sexual Misconduct as defined, even if proven; or (2) the Respondent is not a member of the University Community. The Title IX Coordinator may dismiss a Formal Complaint in the following situations: (1) the Complainant notifies the Title IX Coordinator in writing that they wish to withdraw the Formal Complaint or some allegations in the Formal Complaint; (2) the Respondent is no longer enrolled in or employed by the University; or (3) circumstances exist that prevent the University from gathering sufficient evidence to reach a determination as to the Formal Complaint or the allegations.

Application of Other Policies upon Dismissal. If the Title IX Coordinator dismisses a Formal Complaint or any of the allegations in the Complaint, the Title IX Coordinator must promptly send written notice of the dismissal and the reason(s) for the dismissal

simultaneously to the Complainant and Respondent. Dismissal of a Formal Complaint does not preclude action under other policies, such as Title IX Sexual Misconduct.

Appeal of Dismissal Decision. Any party can appeal the dismissal decision following the criteria and procedures listed below under Appeal Procedures.

Right to Consolidate Complaints. The University may consolidate Formal Complaints as to allegations of Sexual Misconduct: (1) against more than one Respondent, (2) by more than one Complainant against one or more Respondents, or (3) by one party against the other party, where the allegations of Sexual Misconduct arise out of the same facts or circumstances.

4. *Investigation Process*

If the Title IX Coordinator or designee conducts an investigation of the reported allegation, the investigation may consist of the review of the complaint, any relevant documentation, and interviews with relevant individuals. Each party will be given the opportunity to share information regarding the allegation, as well as any response to such, and identify witnesses and other relevant evidence. The extent of the investigation and its procedures will be determined by the Title IX Coordinator. During the investigative process, it is expected that the Complainant and the Respondent will cooperate with the University in providing all information or evidence that they believe should be considered. Additionally, other administrators may be consulted to assist with the investigation.

Prior to an investigative interview, the Complainants and Respondents will be provided a student rights and responsibilities document to review and sign. The student rights and responsibilities document informs the student of their rights to be exercised before and during the course of the investigation and student conduct process. Information gathered during the course of the investigation and student conduct process may only be shared with faculty, staff, students, and/or advisors who are directly involved in the incident or necessary to the student conduct process. Information gathered may also be disclosed in compliance with a judicial order, lawfully issued subpoena, or otherwise required by law.

During the Investigation, the burden of proof and burden of gathering evidence sufficient to reach a determination regarding responsibility is on the University and not on the parties. Complainants and Respondents are encouraged to present witnesses and evidence, including fact and expert witnesses, and other inculpatory and exculpatory evidence that they believe should be considered. The University will make all reasonable efforts to obtain relevant information such as surveillance video footage, University card swipe access and other information that may be available to the Institution. The University cannot obtain information that is protected by a legally recognized privilege without the party's voluntary written consent. The University shall not access, consider, disclose, or otherwise use a party's records that are made or maintained by a physician, therapist/mental health professional, or other professional/paraprofessional providing treatment to the party, unless the party gives voluntary written consent.

After the investigation is complete, the Title IX Coordinator will prepare a written investigation report. Complainants and Respondents will have access to the completed investigation report and/or investigative materials relevant to the allegation(s) after the formal investigative process has concluded. In order to protect confidentiality, Complainants and Respondents are not given copies or investigation reports and/or investigative materials, but will have an opportunity to inspect and review any evidence obtained as part of the Investigation that is directly related to the allegations raised in the Formal Complaint.

Withdraw During a Formal Complaint. In accordance with state law, if a student withdraws or graduates from the University pending a Formal Complaint alleging the student violated the Student Code of Conduct by committing sexual harassment, sexual assault, dating violence, or stalking, the institution:

- a) May not end the disciplinary process or issue a transcript to the student until the institution makes a final determination of responsibility; and
- b) Shall expedite the institution's disciplinary process as necessary to accommodate both the Respondent's and Complainant's interest in a speedy resolution.
- c) On request from another institution, the University shall provide to the requesting institution information relating to a determination that a student enrolled violated the institution's Student Code of Conduct by committing sexual harassment, sexual assault, dating violence, or stalking.

Should students not participate in the Investigative Process, the Grievance Process may continue without their participation. The Investigator may assign allegation(s) to the Respondent based on the information that the Investigator collected without the student's participation, if appropriate.

5. *Resolution Process*

Options for resolving Formal Complaints under the Grievance Process include:

- a) *Informal Resolution.* Prior to the formal Hearing, either the Complainant or the Respondent may make a request, either orally or in writing, for informal resolution to the Title IX Coordinator. The Title IX Coordinator will assess the severity of the alleged harassment and the potential risk of a hostile environment for others in the University Community to determine whether informal resolution may be appropriate. Mediation will not be used to resolve complaints of Sexual Assault and Interpersonal Violence.

Upon determining that informal resolution is appropriate, the Title IX Coordinator will consult further with the person initiating the request, inform the other party, and gather additional relevant information from the parties and others as useful to assist in the informal resolution process. The

Title IX Coordinator may also put in place any appropriate interim measures to protect the educational and work environment of the parties and the University Community.

The University will not compel the Complainant or Respondent to engage in mediation, to directly confront the other party, or to participate in any particular form of informal resolution. Participation in informal resolution is voluntary, and the Complainant and Respondent have the option to discontinue the informal process at any time and request a formal investigation. If at any point during the informal resolution process, the Complainant, the Respondent, or the University wishes to cease the informal resolution process and to proceed through the formal resolution process, the informal resolution process will stop and the formal resolution process outlined in this of the Student Handbook below will proceed.

- b) *Administrative Resolution.* At any point in the student conduct process, if the Respondent accepts responsibility for the alleged violations of policy, the Parties may choose to resolve the issue through the Administrative Resolution process outlined below. The Administrative Resolution process is voluntary.

The Title IX Coordinator will, in consultation with the appropriate University dean, or if the allegation involves a student organization, the appropriate University staff member advisor of the organization, review the complaint and information gathered about the reported Sexual Misconduct, and if applicable, propose findings and specify appropriate sanctions. The Title IX Coordinator will send written notice to both the Complainant and the Respondent of the proposed findings and sanctions. The Parties will have five (5) business days to review the Administrative Resolution and decide whether they would like to accept or decline the proposed findings and recommended sanctions. Agreement with the terms of the Administrative Resolution is established by one of the two following ways:

- (1) A signature, or an electronic signature, by a Party or the Parties attesting to agreement with the findings and sanctions; or
- (2) No written objection by the Complainant or the Respondent to the findings and sanctions within five (5) business days of the date the proposed findings and recommended sanctions were sent to the Parties.

If both the Complainant and the Respondent agree with the proposed findings and recommended sanctions, the matter is considered concluded. Additionally, if accepted, the Parties waive their right to a hearing, the process ends, the finding is final, and there is no appeal. The complaint will only be reopened if new material, previously unavailable is presented.

If either Party disagrees with or does not accept the proposed findings and/or recommended sanctions, then the complaint will proceed, and a hearing will take place.

c) *Hearing*. See Section E below for Hearing Procedures.

6. *Sanctions*

A Hearing Officer or a Hearing Panel may impose sanctions as a result of an Informal Resolution, or formal hearing, when a student is found responsible. Implementation of the disciplinary Sanction(s) will begin when the time period to file an appeal has expired or when the appeal decision has been sent to the parties.

Both the Complainant and Respondent will be simultaneously notified of the Appeal Officer's decision and Sanctions as appropriate. When sanctions are final, appropriate University Administrators may be notified of the student's sanctions. Findings and Sanctions agreed upon through the Informal Resolution are final and cannot be appealed.

All records related to the disciplinary process will remain on file with the Title IX Coordinator for a minimum of seven (7) years from the date the case is completed through an Informal Resolution, formal hearing and/or the Appeal Procedures. All records related to the Grievance Process resulting in suspension and/or expulsion will remain on file indefinitely.

If a student is found responsible for violating the University Sexual Misconduct policies, sanctions may be imposed and can include, but are not limited to the following:

- a) *Disciplinary Reprimand*. The Disciplinary Reprimand is an official written notification using the notice procedures outlined in this section to the student that the action in question was Misconduct.
- b) *Disciplinary Probation*. Disciplinary Probation is a period of time during which a student's conduct will be observed and reviewed. The student must demonstrate the ability to comply with University policies, rules, and/or standards and any other requirement stipulated for the probationary period.
- c) *Time-Limited Disciplinary Suspension*. Time-Limited Disciplinary Suspension is a specific period of time in which a student is not allowed to participate in class, University related activities, or be present on campus property. The status of Disciplinary Suspension will be shown on the student's academic record, including the transcript. Disciplinary Suspension is noted on the student's transcript by the phrase "Disciplinary Suspension" and will include the period of time in which the student is/was suspended from the University. In most instances, the notation of Disciplinary Suspension will remain on the transcript permanently. A student has the ability to petition to remove a Disciplinary Suspension notation in the following instances: 1)

the student is eligible to reenroll in the institution or 2) the Title IX Coordinator or designee determines that good cause exists to remove the notation. A Disciplinary Suspension of a student will indicate the date on which the suspension period begins and the earliest date the application for student readmission will be considered. The Title IX Coordinator or designee may deny a student's readmission, if the student's Misconduct during the suspension would have warranted additional disciplinary action. If the student has failed to satisfy any Sanction that was imposed prior to application for readmission, the Title IX Coordinator or designee may recommend denial of readmission of a student. On denial of a student's readmission, the Title IX Coordinator or designee will set a date when another application for readmission may again be made. An administrative hold will be placed on the student's record to prevent registration during the Disciplinary Suspension.

- d) *Disciplinary Expulsion*: Disciplinary Expulsion occurs when the student is permanently withdrawn and separated from the university. This status of Disciplinary Expulsion will be shown permanently on the student's academic record, including the transcript. Disciplinary Expulsion is noted on the student's transcript by the phrase, "Expulsion" and the date in which the student's expulsion became effective. In most instances, the notation of Disciplinary Expulsion will remain on the transcript permanently. A student has the ability to petition to remove a Disciplinary Expulsion notation in the following instances: 1) the student is eligible to reenroll in the institution or 2) the Title IX Coordinator or designee determines that good cause exists to remove the notation. An administrative hold will be placed on the student's record to prevent future registration.

7. *Appeal Procedure*

Either the Complainant or Respondent may appeal the decision, or the sanction(s), condition(s) and restriction(s) imposed by the Hearing Officers by submitting a written appeal to the VPAA or their designee within three (3) business days of receiving the written decision. The appeal must clearly set forth the grounds for the appeal, together with the evidence upon which the appeal is based. A disagreement with the decision alone shall not constitute grounds for appeal. The only proper grounds for appeal and the only issues that may be considered on appeal are as follows:

- a) A procedural irregularity that affected the outcome of the matter;
- b) New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- c) The Title IX Coordinator, Investigator(s), or Hearing Panel Members had a conflict of interest or bias for or against Complainants or Respondents

generally or the individual Complainant or Respondent that affected the outcome of the matter; or

- d) The sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions.

The appeal process is initiated upon a party's filing of a written appeal within three (3) University business days after University's delivery of the written decision regarding responsibility. The written appeal must be filed with the University's Title IX Coordinator or System Office of Equal Opportunity, as directed in the written determination regarding responsibility, and the party's written appeal must set forth the grounds for the appeal and any supporting information.

Upon the filing of a written appeal, University will give written notice of the filed appeal to the non-appealing party. The non-appealing party will have three (3) University business days after University's delivery of the written notice to respond to the appeal.

The Vice President of Academic Affairs (VPAA) or their designee will review the appeal to determine if the appeal is timely and properly sets forth the appropriate grounds for appeal. If any of these requirements are not met, the appeal will be dismissed, and the original decision of the Hearing Officers will be final. If the grounds for an appeal are determined proper by the VPAA or their designee, the Title IX Coordinator will provide the request for appeal to the other party and provide opportunity for response. Any responses must be provided to the VPAA or their designee within five (5) business days after receiving a copy of the request for appeal.

If the VPAA or their designee determines that a procedural [or substantive] error occurred that significantly impacted the outcome of the hearing, they may order a new hearing. If a new hearing is ordered, all hearing procedures in will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of the decision of the Hearing Officers. The decision of the Hearing Officers is final and may not be appealed.

If the VPAA or their designee determines that new evidence should be considered, they may return the complaint to the original Hearing Officers to reconsider the new evidence or may order a new hearing. If new evidence is considered, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Title IX Coordinator will notify the student of the outcome within five (5) business days of the decision of the Hearing Officers. The decision is final and may not be appealed. If a new hearing is ordered, all hearing procedures will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

If the VPAA or their designee determines that the sanctions imposed substantially vary from the range of sanctions normally imposed for similar infractions, they may then

increase, decrease or otherwise modify the sanctions, conditions, and/or restrictions instead of returning the case to the original Hearing Officers or ordering a new hearing. If the VPAA or their designee makes a decision regarding the sanctions, conditions, and/or restrictions without returning the case to the original Hearing Officers, they will notify the student in writing of the outcome within five (5) business days of their decision. The decision of the VPAA or their designee is final and cannot be appealed. If the VPAA or their designee returns the case to the original Hearing Officers, the Hearing Officers may increase, decrease, or otherwise modify the findings, sanctions, conditions, and/or restrictions. The Title IX Coordinator will notify the student of the outcome within five (5) business days of their decision. The decision is final and may not be appealed. If a new hearing is ordered, all hearing procedures in Part IV, Section C(3)(e), will be followed. The Title IX Coordinator will notify the Complainant and Respondent of the outcome within five (5) business days of their decision. The decision of the Hearing Officers is final and may not be appealed.

In those cases, in which the error cannot be cured by the original Hearing Officers (i.e., some cases of bias), the VPAA or their designee may order a new hearing with a new panel of Hearing Officers.

After the findings(s) and sanctions become final and all appeals, if any, are exhausted, the Complainant shall be advised that if the complained activity persists, they should contact the Title IX Coordinator. Likewise, in the event the Complainant believes retaliation for filing a complaint has taken place, they should contact the Title IX Coordinator.

The Title IX Coordinator will follow up with the Complainant within sixty (60) calendar days after conclusion of the matter to ensure that the complained of behavior has ceased.

E. Non-Title IX Sexual Misconduct Hearing Procedure

This Section E sets forth the Hearing Procedure for Non-Title IX Sexual Misconduct. The Hearing Procedure for Title IX Sexual Misconduct is set forth in [System Regulation 07.06.A](#) and [Attachment 2](#).

1. *Prehearing/Formal Allegations Assigned*

Once the investigation is complete, if the complaint is not otherwise resolved, the Complainant and the Respondent will be given notice of a pre-hearing meeting. Should the Complainant or the Respondent not participate in the pre-hearing meeting, the conduct process may continue without their participation through resolution. During this meeting, the Complainant and the Respondent will be given the opportunity to review the investigation report, relevant evidence, and other documents to be used in the hearing. Other documents may include Complainant's allegations, list of potential Hearing Officers, and hearing script. Following the pre-hearing, the Complainant and the Respondent will be notified of a date, time, and location of the hearing.

While the Complainant and the Respondent may identify errors in their own statements during the pre-hearing, they are not able to add additional information to the investigation report unless that information, in the judgment of the Title IX Coordinator, was unavailable during the investigative process and is pertinent to the complaint. If a Complainant or Respondent discovers new, previously unavailable information during the time after the pre-hearing but before the hearing, the party should inform the Title IX Coordinator immediately. If the new information is pertinent to the consideration of the complaint, the Title IX Coordinator will determine whether the new information should be included in the investigation report or presented verbally during the hearing. If there is new evidence introduced, the Complainant and the Respondent will be given the opportunity to provide a response to any such evidence that will be presented in the hearing.

The Title IX Coordinator or designee will schedule the hearing no sooner than five (5) business days from the date of the last pre-hearing meeting. The five-day period can be waived by the Title IX Coordinator with agreement by the involved Parties.

2. *Hearing*

After notice has been given to the Complainant and the Respondent, the University may proceed to conduct a hearing and render a finding of Responsible or Not Responsible for the Respondent's alleged misconduct and, in the event of a responsible finding, decide appropriate sanctions, conditions, and/or restrictions. The Provost or their designee shall appoint a panel of three (3) Hearing Officers to conduct the hearing. All persons serving as Hearing Officers shall be oriented and trained to adjudicate a Sexual Misconduct case in accordance with this Student Handbook. If there is a conflict of interest, or appearance thereof, with one of the selected Hearing Officers, that person will recuse themselves and the Provost or their designee shall appoint another person to the panel. Additionally, both the Complainant and the Respondent may raise issues of conflicts of interest with regard to the potential Hearing Officer panel to the Provost or their designee within three (3) business days after notice has been given to the Parties of the panel members. The Provost or their designee will weigh these issues and resolve them accordingly. No party has a right to disqualify a Hearing Officer panel member absent a demonstrated bias.

The hearing may be held and a decision or recommendation made, regardless of whether the Complainant or the Respondent fail to respond or fail to attend the hearing. Should the Complainant or the Respondent fail to respond or fail to attend the hearing, the Hearing Officers may consider the available information and render a decision.

Hearings are closed to the public. Both the Complainant and Respondent have the right to be present at the hearing; however, they do not have the right to be present during the deliberation of the Hearing Officers. Arrangements can be made so that Complainant and Respondent do not have to be in the hearing room at the same time. To request changes in the scheduled hearing time, the parties should contact the Title IX Coordinator not less than five (5) business days prior to the scheduled hearing.

During the hearing, the Title IX Coordinator or designee presents the allegations, investigation report, evidence, witnesses, and questions for deliberation in the hearing. The Hearing Officers may question the Title IX Coordinator, Title IX Investigator, Complainant, Respondent, and any witnesses. The Complainant and Respondent do not have the right to question each other nor witnesses directly but may do so through the Title IX Coordinator or designee. The Complainant and Respondent have the right to add or make additional comments about the facts of the complaint. Should new evidence be presented without prior discussion with the Title IX Coordinator, the hearing may be halted to consider the inclusion of this information. Impact statements will also be halted if they are shared prior to the sanctioning phase of the hearing. In the event the Hearing Officers remove a student due to misconduct in the hearing process, the alleged misconduct in the hearing process will be forwarded to the appropriate student conduct administrator, who will follow the conduct process in Part II of this Student Handbook.

Following the hearing, the Hearing Officers will deliberate and will render a finding of responsible or not responsible for the Respondent's alleged misconduct as well as decide any sanctions, conditions and/or restrictions if applicable. Any findings of the investigation will be based upon a preponderance of the evidence, which means more likely than not. The Hearing Officers will inform the Complainant and the Respondent in writing within five (5) business days of their decision(s).

Either the Complainant or Respondent may utilize the Appeal Procedures.

F. Pregnancy

Discrimination based on pregnancy is a form of discrimination based on sex. Women affected by pregnancy, childbirth, or related medical conditions shall be treated the same for all educational opportunities as other persons not so affected but similar in their ability or inability to participate in education programs or activities.

If a pregnant or parenting student feels that they require flexibility or an accommodation in order to be successful at TTUHSC El Paso, it is the student's obligation to make the request initially through their appropriate school's student affairs personnel. Students requesting a pregnancy or parenting related accommodation should do so as soon as they become aware that an accommodation may be needed. If the student and school are unable to come to a mutually agreeable decision in relation to reasonable flexibility and adjustments, the student should contact the TTUHSC El Paso Title IX Coordinator. The Title IX Coordinator will consult with the student and school administrator(s) to begin the interactive process and ultimately, reasonable flexibility and adjustments will be determined.

If a student disagrees with the determination and/or proposed accommodation after engaging in the interactive process, the student may file a complaint with the Title IX Coordinator.

In certain situations, if there is a medical condition due to pregnancy, it may be protected under the Americans with Disabilities Act (ADA), entitling the student to a

reasonable accommodation. Accommodation requests due to pregnancy- related complications should be directed to the Academic Success and Accessibility Office.

VI. Student Records

A. General Policy

Policies and procedures concerning student records are based on respect for the privacy of the individual. To minimize the risk of improper disclosure, academic records are maintained separately from disciplinary records. (During the time of disciplinary suspension, the notice is placed in the student's permanent file.) The conditions for access to each are set forth in the Institutional Student Handbook and complies with federal and state statutes and with registered student organization guidelines. The procedures set forth below apply to all persons formerly or currently enrolled at Texas Tech University Health Sciences Center El Paso. See [HSCEP OP 77.13](#) Student Education Records.

B. Address of Record

Students must maintain an accurate permanent and local physical address with the Office of the Registrar. The address and school issued email account is used for official notifications including, but not limited to, grade reports, billing and notification of official university requirements and other university correspondence. **Students must also maintain a current telephone number with the Office of the Registrar. Students may have holds placed on their student accounts until updated information is received.**

C. Student Access to Educational Records

All current and former students of the university have the right to access their educational records as provided by law.

Notification of Rights under FERPA for Postsecondary Institutions

The Family Educational Rights and Privacy ACT (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. *Right to Inspect and Review*

The right to inspect and review the student's education records within 45 days after the day Texas Tech University Health Sciences Center El Paso receives a request for access.

A student should submit to the Office of the Registrar a written request that identifies the record(s) the student wishes to inspect by completing [HSCEP OP 77.13](#) Attachment B Student Request To Access Education Records

* The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

Generally, if the Education Record is covered under FERPA, the student may inspect or review the education record at the Office of the Registrar, but does not have the right to receive copies of the education record unless a student is effectively prevented from

onsite inspection or review of his/her education record. The student may then have a right to receive copies of the education record at the student's expense after evaluation of the circumstances by the Office of the Registrar.

Official copies of academic records or transcripts will not be released for students who have a delinquent or unpaid financial or institutional obligation to the University, have a "hold" at the University, or have an unresolved disciplinary action pending at the University, provided that applicable law does not otherwise require disclosure of the records.

2. *Right to Provide Consent*

The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by TTUHSC El Paso in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of TTUHSC El Paso who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities for TTUHSC El Paso.

3. *Filing a Complaint*

The right to file a complaint with the U.S. Department of Education concerning alleged failures by TTUHSC El Paso to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

4. *Personally Identified Information (PII)*

Personally identifiable information related to academic outcomes such as rank in class, grade point average, academic progress, etc., shall not be released to non-authorized personnel without the written consent of the student.

D. Records Not Accessible to Students

The following records are not accessible to students:

- Records of instructional, administrative and educational personnel that are kept in the sole possession of the maker, are used only as a personal memory aid, and are not accessible or revealed to any other person except a temporary substitute for the maker of the record;
- Records of the Texas Tech Police Department, subject to the provisions of 34 C.F.R. 99.8;
- Records relating solely to an employee of TTUHSC El Paso in his/her capacity as an employee that are not available for any other purpose, unless the student is employed as a result of his/her status as a student;
- Student medical and counseling records created, maintained, and/or used only in connection with providing medical treatment or counseling to the student, that are not disclosed to anyone other than the individuals providing the treatment; and
- Alumni records or other records that contain information about an individual after he/she is no longer a student at that agency or institution (e.g., information gathered on the accomplishments of alumni).

E. Disclosure of Education Records

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student in accordance with the following;

- To other school officials, including teachers, within Texas Tech University Health Sciences Center El Paso whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31 (a)(1)(i)(B)(1) – (a)(1)(i)(B)(2) are met. (§99.31(a)(1))
- To officials of another school where the student seeks or intends to enroll, or where the student is already enrolled if the disclosure is for purposes related to the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31 (a)(2))
- To authorized representatives of the U. S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of

Federal-or-State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31 (a)(3) and 99.35)

- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31 (a)(4)).
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31 (a) (6)).
- To accrediting organizations to carry out their accrediting functions. (§99.31 (a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31 (a)(8))
- To comply with a judicial order or lawfully issued subpoena (§99.31 (a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31 (a)(10))
- Information the school has designated as “directory information” under §99.37. (§99.31 (a)(11))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31 (a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the student has committed a violation of the school’s rules or policies with respect to the allegation made against him or her (§99.31 (a) (14)).
- To parents of a student regarding the student’s violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use of possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

F. Student Request to Amend Records

Students have the right to request an amendment of their educational records and information directly relating to them. This section does not include procedures for student challenging individual grades. Grade appeals and grievance procedures are set forth in the individual

Student Handbooks for each school. The procedures set forth below are to address inaccurate, misleading or otherwise inappropriate records or information requiring amendment.

1. Student who believes that his/her Education Records are inaccurate or misleading, or that the records violate his/her privacy rights, must first request an informal discussion regarding the questionable item with the Office of the Registrar, who may or may not honor the request.
2. Written Request to Amend Records: If the result of the informal discussion with the Office of the Registrar (Records Custodian) is not satisfactory to the student, and the student still wishes to have the record corrected, the student should complete the online form, Student Request to Amend Education Records [HSCEP OP 77.13](#), [Attachment C, Student Request To Amend Education Record](#), via the Office of the Registrar. The request shall clearly identify the part of the record the student believes should be changed, and specify why it should be changed. [Note: The substantive judgment of a faculty member regarding a student's work, expressed in grades or evaluations, is not within the purview of the right to seek amendment of Education Records under this section. See also grade appeal and grievance procedures as set forth in the individual student handbooks for each School.]
3. Review: After receiving the written request from the Student for a change in their Education Records, the Assistant Vice President for SSSE or designee shall request, and the Office of the Registrar shall provide, a written statement that explains why the request for the change in the Education Record was denied at the informal stage. After reviewing the request by the Student and the response of the Office of the Registrar (Records Custodian), the Assistant Vice President for SSSE or designee will provide written notification to the student whether or not TTUHSC El Paso will implement the change. If not, the Vice President for Academic Affairs or designee will notify the student of the right to a hearing to challenge the information believed by the student to be inaccurate, misleading, or in violation of the student's rights.
4. Hearing Procedure: Upon receiving a written request from the student for a hearing, the Assistant Vice President for SSSE or designee shall arrange for a hearing and provide written notice to the student reasonably in advance of the date, time and place of the hearing. The hearing will be conducted according to the following procedures:
 - a. The hearing shall be conducted by a hearing official or committee appointed by the VPAA or designee. Such individual(s) must have no direct interest in the outcome of the case and shall decline to serve if a conflict of interest, or an appearance of a conflict of interest, exists with either the student or the Office of the Registrar (Records Custodian).
 - b. At least five (5) days prior to the date scheduled for the hearing, the student and the Office of the Registrar (Records Custodian), shall submit to each other, as well as to the hearing official or committee, any and all pertinent documents and a list of witnesses and advisors who are to be involved in the hearing process. The student may, at his/her own expense, be assisted or represented

by one or more individuals of his/her own choice, including an attorney for advisory purposes only. If the student is advised by an advisor, the Office of General Counsel shall represent the University. The student and the Records Custodian are each responsible for presenting relevant information. Therefore, the advisors and/or attorneys for the parties are not permitted to speak or participate directly in the hearing.

- c. At the hearing, the student shall have the opportunity to present evidence to support his/her position that the content of the relevant educational record is inaccurate, misleading and/or otherwise in violation of the privacy rights of the student.
- d. Any additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.
- e. Within seven (7) business days after the conclusion of the hearing, the hearing officer or chair of the hearing committee, if applicable, will transmit the decision in writing to the student, the Office of the Registrar, and the Assistant Vice President for SSSE or designee. The decision must include a summary of the evidence and the reasons for the decision. If, as a result of the hearing, the hearing official or committee determines that the information in the Education Record is not inaccurate, misleading, or otherwise in violation of the privacy rights of the student, the student will be notified of the right to place a statement in the record contesting the information in the record or stating why the student disagrees with the decision of the agency or institution, or both. Any statement provided by the student shall be maintained with the contested portion of the record for as long as the record is maintained. In the event the contested portion of the record is later requested, the statement shall be disclosed with the record to the extent it pertains to the contested portion.

The writing of checks on accounts with insufficient funds, issuance of stop pays, disputed credit card chargebacks, or the non-payment or delinquent payment of outstanding loans, and failure to meet any other financial obligations to the University, (including failure to return Title IV funds), are considered a lack of financial responsibility. Financial irresponsibility may subject the student to additional fees, fines, suspension of check writing privileges, denial of registration, withholding of grades, transcripts, and diplomas and possible adjudication under the Code of Professional and Academic Conduct. A student who fails to make full payment of tuition and mandatory fees, including any incidental fees, by the due date, may be prohibited from registering for classes

until full payment is made. Generally, failure to meet financial obligations to the University may result in:

- Cancellations of the student's registration if tuition and registration fees are not paid by the 20th class day (15th class day in summer), or if a returned check given in payment of tuition and fees is not redeemed by that time;
- Loss of University check writing privileges and possible criminal prosecution for writing insufficient fund checks and for failure to pick up a returned check;
- A student who fails to make full payment prior to the end of the semester or term may be denied credit for the coursework completed that semester or term.
- A hold placed on a student's academic records preventing future registration or receiving transcripts (before registering or requesting a transcript, students may check on the presence of holds by accessing their records at <https://portal.texas-tech.edu> under the MyTech – El Paso tab).
- Reporting of delinquent accounts to a credit agency or a collection agent.
- For more information, please visit the [Student Business Services website](#) .

P. Grades/Grading

- See [HSCEP OP 59.05](#), Grading Procedures and Academic Regulations.

- The processing of formal appeal procedures is the responsibility of the School which administers the course. A copy of the grade appeal procedures may be found in the individual Schools' catalogs and/or handbooks. A grade can be formally appealed only when there is demonstrable evidence that prejudice, arbitrary or capricious action on the part of the instructor has influenced the grade. The burden of proof that such an unfair influence has affected a grade rests with the student who appeals the grade. Only final course grades may be formally appealed to the responsible academic dean. Earlier grades and other academic grievances may be discussed with the instructor involved and with the chair of the department or division involved.

Students are responsible for registering under the proper residence classification and for providing documentation as required by the institution. If there is any question about the right to classification as a resident of Texas, it is the student's obligation, prior to the time of enrollment, to ask for an official determination by the Office of the Registrar. Non-residents who live in Texas taking only online courses are charged non-resident tuition and fees. Texas Education Code, Section 54.007, provides that state-supported institutions of higher education shall provide students with the election to pay tuition and fees during the fall, spring, or long (10 weeks or longer) summer semesters in installments. TTUHSC El Paso offers these payment alternatives.

- a) Payment alternative information

4. *Tuition and Fees Refund Policies*

Visit **Student Business Services** under **Student Resources/Financial Information** for detailed information about the impact of decreasing course load on:

- All students who withdraw from TTUHSC El Paso or drop all courses during a term
- Additional considerations for students who received financial aid and withdraw from TTUHSC El Paso or drop all courses during a term

a) Institutional Refund Policy

Texas Education Code, Section 54.006, provides the amount of tuition and fees to be refunded to students who drop courses or withdraw from the institution. Class day count is based on the official institution academic calendar for the school, not the specific course dates.

Students who drop a course, but remain enrolled at the institution will be refunded at the following rate:

Term	Class Day	% Refund of Charges

Term of Session 5 weeks or less duration	1st class day through 2nd class day	100%
	After the 2 nd day of class	None
Term of Session More than 5 weeks but less than 10 weeks in duration	1st class day through 4th class day	100%
	After the 4th day of class	None
Fall, Spring or Summer Duration of 10 weeks or longer	1st class day through 12th class day	100%
	After the 12th day of class	None

Students who withdraw from the institution (zero semester credit hours) are required to pay tuition and fees according to the following schedule based on their official withdrawal date:

Term	Class Day	% Refund of Charges
Term or Session 5 weeks or less duration	Before the 1st class day	100%
	1 st class day	80%
	2nd class day	50%
	3rd class day of later	None
Term or Session More than 5 weeks but less than 10 weeks in duration	Before the 1st class day	100%
	1st, 2nd, or 3rd class day	80%
	4th, 5th, or 6th class day	50%
	7th class day of later	None
Fall, Spring or Summer duration of 10 weeks or longer	Before the 1st class day	100%
	1st five class days	80%
	2nd five class days	70%
	3rd five class days	50%
	4th five class days	25%
	21st class day and after	None

Students who withdraw from TTUHSC El Paso or drop all courses during a term that receive(d) financial aid, should be aware of the refund policies and to understand the impact they will have on the aid released and the continued financial aid eligibility. Current refund policies for students who withdraw or drop all courses during a term are determined by the Higher Education Title IV refund regulations.

Any refund due to a student will be after calculation of the amount of tuition and fees due at the time of withdrawal. If the student has paid less than the amount due at the time of withdrawal, the student will be required to pay the percentage due to TTUHSC El Paso.

Federal Refund and Repayment calculations must be performed for students who receive Title IV (Pell, FSEOG, Perkins and/or Stafford Loans) funds and officially withdraw from all courses, drop out of all courses, are expelled, take an unapproved leave of absence, or fail to return from an approved leave of absence prior to the 60% date of the term. All “unearned aid” must be returned to the federal aid programs as determined by the Federal Refund and Repayment calculations. Failure to return Title IV funds constitutes a failure to meet a financial responsibility due to the University which is subject to any of the actions stated in the Financial Responsibility section above.

- The requirements for Title IV program funds are separate from the university refund policy. As such, you are responsible for unpaid institutional charges remaining after the refund calculation. You are also responsible for charges/balances created by the returning of Title IV program funds that the school was required to return.
- If you have questions about your Title IV program funds, you can call the Federal Student Aid Information Center at 1-800-4-FEDAID (1-800-433-3243). TTY users may call 1-800-730-8913. Information is also available on Student Aid on the Web at <https://studentaid.ed.gov/sa/>

In order to keep all the financial aid issued in each term, students must be enrollment for at least 60% of the term. After this point in the term students have earned 100% of the Title IV funds released for the term. Therefore, it is in your best interest to maintain attendance and complete at least one class each term that you receive federal aid to avoid repayment of funds.

How the Title IV return calculation works:

1. Number of days attended ÷ Days in semester = % of semester completed
2. Total \$ disbursed X % completed = Earned \$
3. Total \$ disbursed - Earned \$ = \$ to be returned

An example calculation is available on the Student Business Services web page: <https://elpaso.ttuhs.edu/fiscal/businessaffairs/studentbusserv/resources/financial-information/default.aspx>

Once it is determined that you owe money back to any of the federal aid programs, you will not be eligible to receive further federal aid at TTUHSC El Paso or any other institution, until this debt is cleared.

Please note, your failure to complete a semester or term could impact your Satisfactory Academic Progress (SAP) and your future eligibility for financial aid. To remain eligible for financial aid, a student must maintain satisfactory academic progress. This consists of three categories: (1) grade point average on hours attempted (qualitative), 2 hours successfully completed (quantitative) based on hours enrolled and (3) time to degree. You must complete your program of study within 150% of the normal time required for the program.

The complete policy is available on the Financial Aid website under [Satisfactory Academic Progress](#).

Z. Use of University Seal

Texas Tech University Health Sciences Center El Paso (TTUHSC El Paso) regulates the use and secure handling of the presidential seal (also known as the university seal) as per [HSCEP OP 10.32 Use and Secure Handling of Presidential Seal](#). The embossed presidential seal is, in addition to a symbol of the identity of TTUHSC El Paso, a corporate mark of identification demonstrating the authenticity of academic records, contracts, and other documents executed in the name of TTUHSC El Paso. In these regards, the integrity of TTUHSC El Paso depends on the presidential seal being used only for permissible purposes by authorized institutional officials.
